

What is a group of people living in the same place sharing common attitudes, interests and goals? You would be correct if you said - group, section, company, circle, clique, band, ring or bunch. But the correct answer in relating to this year's theme is community, because within our community, we have shared the same feelings

when the word "cancer" is mentioned, ranging from sadness, to love, to a desire to help.

A group of local residents started the idea of a local auction 39 years ago because of a shared desire to help their community members affected by cancer. In those 39 years, we have donated almost \$2.4 million to The American Cancer Society, Hope Lodges in Philadelphia and Hershey, LIVESTRONG Program at the Waynesboro YMCA, Oncology Bridge Fund and Hennessy Home at WellSpan (formerly Summit Health).

"One Night, One Community, One Fight" says it all. We want to help make a difference to those beginning, continuing or completing treatments. It's an amazing effort from the youngest to the oldest who show their love by donating time, items or monetary gifts to the community that we call home, to help WAGCA make a difference in the fight against cancer.
